

Devens Generator Guidelines:

As per the Devens Electrical Inspector, please ensure you adhere to the following MA Electrical Code requirements:

1. GFI receptacles are required on the generator;
2. Generators should be kept away from publicly accessible areas and surrounded by caution tape
3. Approved electrical cords must be used. If cords are running through public areas, please ensure they are covered properly;
4. Do not store any gas near the generator area. Any gas storage/use of 40lbs (cumulative) or more requires a permit. Permits can be obtained from the Devens Fire Department at 182 Jackson Road, Devens, MA 978.772.4600.

Devens Fryolator Guidelines:

The following guidelines apply to all food vendors that have obtained a **ONE-DAY Food Service License** or hold a **CATERING LICENSE from the Nashoba Associated Boards of Health**. **PLEASE NOTE – Food Trucks are not authorized to set up cooking equipment outside of their truck or trailer:**

1. Cooking oil must be disposed of at a licensed facility and not on-site. Operators are responsible for maintaining records of proper disposal. Any on-site transfer of oils from fryolators to other storage bins must be done in a way that contains ALL oil (no spillage or dumping of oil on the ground).
2. Fryolators must be placed on a stable and level surface, smooth and easily cleanable. Pavement is acceptable but not bare ground.
3. Any non-cooking equipment set up outside shall be separated from the general public and any electrical connections shall be protected from general public access. No Food shall be stored outside of the food truck/trailer. Coolers for beverages and pre-packaged goods may be stored outside.
4. LPG permits are required for any propane storage/use of 40lbs (cumulative) or more. Permits can be obtained from the Devens Fire Department at 182 Jackson Road, Devens, MA 978.772.4600.
