

# Call for Community Liaisons

**We are looking for Devens community members who are passionate about advocating for community needs and interested in helping us face the challenges of climate change.**

**Community Liaisons will:**

- **Learn together about community climate resilience and climate equity**
- **Engage community members to get input on climate priorities**
- **Translate community desires into actions**
- **Work with municipal staff and planning and equity consultants**
- **Receive a paid stipend**

Supported by a grant from the Commonwealth's Municipal Vulnerability Preparedness Program – MVP 2.0
