

## APPENDIX E: Impervious Surface Lot Coverage (by Zoning District)

	2000*	2012
Environmental Business Zone	4,00	4,00
Gateway I (Jackson)	0,00	0,00
Gateway 2 (Verbeck)	12,00	11,75
Special Use District I (Salerno)	13,00	10,23
Special Use District 2 (Airfield)	71,00	70,26
Residential I (Grant Road)	8,00	7,64
Residential II	4,00	3,50
Business Community Services District	16,00	14,80
Village Growth I District	8,00	7,97
Village Growth II District	18,00	20,00
Innovation and Technology Business	85,00	83,32
Rail, Industrial Trade Related District	179,00	178,45
Innovation and Technology Center	23,00	22,46
Open Space and Recreation	13,00	9,62
<b>Total Impervious (acres)</b>	<b>454</b>	<b>444</b>

\*Estimated acreage based on 2008 Notice of Project Change Impervious Coverage Map and Aerial Photo interpretation

**Note:** In 2011, the Army completed construction of a joint training and maintenance facility on Barnum Road.

Although a very large development with almost 1.5 million square feet of impervious area, the design of the project actually reduced the total impervious area from the existing by over 2.75 acres. As this was outside DEC jurisdiction, it was not included in the chart above.
